

Description & Features:

- Economical pressure gauge with swivel hose adapter for water pressure testing
- Schrader bleed valve with cover on socket
- Black steel case
- Brass wetted parts
- Single scale PSI
- $\pm 3-2-3\%$ accuracy
- ASME B40.100 compliant
- 5 year warranty

Applications:

- Residential & commercial pressure testing of water lines
- Suitable for non-clogging and non-corroding media

Specifications

Dial	2" (50mm) white aluminum with black markings
Case	Steel painted black
Lens	Acrylic
Ring	Steel, painted black
Bourdon Tube	Phosphor bronze
Movement	Brass
Pointer	Aluminum, black
Connection	3/4" female swivel hose connection
Welding	#50 tin solder
Ambient/Process Temperature	-40°F to 150°F (-40°C to 65°C)
Water Test	32°F to 150°F (0°C to 65°C)
Working Pressure	Maximum 75% of full scale value
Accuracy	$\pm 3-2-3\%$ ANSI/ASME Grade B
Enclosure Rating	IP52
